

SHOW DIRECTORY LISTING FORM • Deadline: March 31, 2010

Company: _____ Booth #: _____

Address: _____

City: _____ State: _____ Zip: _____ Country: _____

Phone: _____ Fax: _____

Website: _____

Our products belong to the following product categories (check all that apply):

1. Research, development, planning, consulting:

- 1.1 International institutions
- 1.2 National research institutes
- 1.3 Universities & polytechnics
- 1.4 Industrial research centers
- 1.5 Planning & consulting companies

2. Technology, machinery, accessories:

- 2.1 Production processes
- 2.2 Processing technology
- 2.3 Machines & equipment
- 2.4 Control & monitoring methods
- 2.5 Purification & regeneration technology
- 2.6 Disposal & recycling technology
- 2.7 Technical accessories
- 2.8 Laboratory & measuring equipment
- 2.9 Quality Assurance

3. Fibers & yarns:

- 3.1 Man-made fibers
- 3.2 Glass fibers
- 3.3 Metal fibers
- 3.4 Natural fibers
- 3.5 Other fibers

4. Woven fabrics, laid webs, braiding, knitted fabrics:

- 4.1 Woven fabrics
- 4.2 Laid webs
- 4.3 Braiding
- 4.4 Knitted fabrics
- 4.5 Tapes, strings, cords
- 4.6 Belts, ropes, cordage
- 4.7 Nets

5. Nonwovens

6. Coated textiles, canvas products:

- 6.1 Coated textiles
- 6.2 Laminated textiles
- 6.3 Tent fabrics
- 6.4 Packaging materials, sacking
- 6.5 Tarpaulin fabrics
- 6.6 Awning material
- 6.7 End-product manufacturing
- 6.8 Accessories

7. Composites:

- 7.1 Reinforcing textiles
- 7.2 Composite textiles
- 7.3 Prepregs
- 7.4 Structural components & moldings
- 7.5 Fiber-reinforcing plastic for concrete parts, pipes & containers

- 7.6 Membrane systems
- 7.7 Films & sheeting
- 7.8 Textile-reinforced plastic for concrete parts, pipes & containers
- 7.9 Textile sheet products for laminating with solids such as metal, plastic & glass

8. Bondtec:

- 8.1 Finishing processes
- 8.2 Adhesive, sealing & molding materials
- 8.3 Laminating & coating materials
- 8.4 Raw materials & additives
- 8.5 Application processing
- 8.6 Material pretreatment
- 8.7 Plastics & other hardening masses
- 8.8 Adhesive mixing & application equipment, robot technologies
- 8.9 Surface treatment technologies
- 8.10 Plasma treatment
- 8.11 Flocking

9. Associations

10. Publications

Our products are used in the following areas of application:

- | | | | | | |
|-----------------------------------|------------------------------------|------------------------------------|-----------------------------------|-----------------------------------|------------------------------------|
| <input type="checkbox"/> Agrotech | <input type="checkbox"/> Buildtech | <input type="checkbox"/> Clothtech | <input type="checkbox"/> Geotech | <input type="checkbox"/> Hometech | <input type="checkbox"/> Indutech |
| <input type="checkbox"/> Medtech | <input type="checkbox"/> Mobiltech | <input type="checkbox"/> Oekotech | <input type="checkbox"/> Packtech | <input type="checkbox"/> Protech | <input type="checkbox"/> Sporttech |

Please include a brief description of your company (50 words maximum):
