ATLANTA UNION GUIDELINES

Union laborers are responsible for: floor layout, carpet, drapes, rental furniture, decorating rental items, masking, aisle signs, hanging special signs, aisle carpeting, unloading and reloading freight, delivery of material to the exhibit booth, installation and dismantling of booths, and rigging.

Individual exhibitors who wish to install and dismantle their own booths can do so if they: use company personnel, do not attempt to bring in "pick-up labor," comply with local and state fire, safety and insurance regulations and rules set by Exposition Management.

Exhibitors also may handle their own freight subject to the following condition: if material can be hand-carried to and from the booth via accepted freight entrances. Hand-carried is defined as small cartons, packages or portable lap-top computers that usually weigh less than 30 lbs. Unions claim jurisdiction under all other circumstances.

Booth Cleaning & Porter Service - Champion Exposition Services has been selected by Show Management to serve as your official contractor for this show. In that respect, Champion has jurisdiction over all booth cleaning and porter service. Exhibitors and/or Exhibitor Appointed Contractors (EACs) are **NOT PERMITTED** to have vacuum cleaners or any floor cleaning equipment on the show floor unless it is the property of Champion and is operated by a Champion appointed person or employee. For your convenience, a Booth Cleaning & Porter Service order form has been included in this service manual.
